

NYC Jr. Golf Club Evaluation Form

We will be conducting evaluations on two days, Wednesday May 12th and Wednesday May 19th at 4:30 pm at the Staten Island Golf Center 2727 Arthur Kill Rd. The junior golfers will be hitting balls with their wood and irons, chipping and putting. It is **imperative** that all new members participate in one round, so that they may be placed in a flight appropriate to their skill level. Peewees do not need to be evaluated. Past members have the opportunity to be evaluated if they wish to move up a flight. Last year's winners are not automatically moved up. Past members who requested to be evaluated and have automatically moved up will be notified by email and don't need to attend, otherwise please be there on the date you selected. If a new member is not evaluated, they will not be able to participate in the players club.

Please fill out the form below and mail back with the application.

Thank you for your cooperation and support.

Please indicate any experience you have with golf in order to assist us in the evaluation.
