Each member previously in Flight A or BA can take two "on the course" clinics.
In each clinic you will play nine holes with two other members and a golf pro. You will be playing the best ball/scramble format that is usually played at golf outings. In this format, on every hole each member hits a tee shot; the group decides which ball is the best to play and all members of the group then hit from that spot. The balls that are not used are picked up and placed at that spot. Using this format, the pro will be able to give all of you instructions,(hitting from the sand, a downhill lie, or other "undesirable" lies) without holding up the other players on the golf course.

The clinics will be filled on a first come, first serve basis. Assume you are in the top two clinics that you registered for. Check the website to confirm your dates. Those who are not accepted in their first two dates will be notified via email.. Please be at the golf course at least 15 minutes before your tee time. If you are unable to attend your selected clinic, you must notify us immediately either by email at info@nycjrgolf.com or call (718) 966-0801. No shows will not be tolerated; one of your scores from the Player's Club will be disqualified and you may forfeit any contention you have for Player's Club placement trophies.
